To use team Pace Ratings:

These optional ratings help fine-tune pace in seasons so rated...

Before each game, note teams' Pace Ratings on scoresheet (teams not listed are considered to have a Pace rating of 0, or no rating).

During play, whenever a Play Card possession reading has an asterisk * beside the position, and team rating is * or **, result is a Pass--flip the next Play Card for a new reading. Whenever a possession reading has ** beside the position, and team rating is **, result is a Pass- flip the next Play Card for a new reading.

If a team has no rating, the * and ** have no effect on the result (no extra Play Card flips).

Passes as a result of a Pace check count toward a potential shot clock violation (same as other passes).

Our current Play Cards are set up for these ratings.
If you have an older play card set,
you can use this option by marking cards:
Regular deck-Possession readings
One Center & One Power Forward**
*One Small Forward** & One Shooting Guard***
No-DIce Deck Possession readings
Double the above for regular deck (mark two cards with each reading)
