	D	46	44	42	36	34
	F	52	46	44	42	36

TO USE CHART: Match up Offense Penalty Rating with Defense Penalty Rating on appropriate Flag chart, and roll both dice.

If the dice roll is LOWER than the number on chart, penalty is on Offense. If HIGHER, penalty is on Defense. After determining whether Offense or Defense has committed penalty, roll both dice again and refer to appropriate column on chart below for final result.

(NOTE: If number rolled is the SAME as number on chart, there are two flags thrown, with possibility of offsetting or multiple penalties. Roll dice again twice using same procedure).

		A	B	C	D	F
OFFENSE	A	36	43	46	53	56

Return possibility is in parentheses. (NR) means no return possible.
